

ALLERGY, ASTHMA AND CLINICAL IMMUNOLOGY

Welcome to our Practice!

We are looking forward to meeting you and assisting with your medical care. In an effort to ensure an optimal appointment experience, please arrive 20 minutes prior to your appointment time.

Please begin by completing and printing your registration forms online at www.allergyasthmaandclinicalimmunology.com. In addition to your patient registration forms, please be sure to bring along with you:

- Photo ID
- Insurance cards
- List of all current medications
- Referral if required
- Laboratory/x-ray results (written reports only)
- Pertinent Medical Records
- Co-pay if applicable

Your appointment will need to be rescheduled if the above documentation is not presented at the time of check-in.

In the event that allergy testing is performed, please refer to the guidelines below:

Do not apply any moisturizers to your skin on the day of the appointment.

Please stop antihistamines 7 days prior to your visit. These include but are not limited to:

*Benadryl (Diphenhydramine)	*Zyrtec (Cetirizine)	*Xyzal (Levocetirizine)
*Claritin (Loratadine)	*Clarinex (Desloratadine)	*Allegra (Fexofenadine)
*Zantac (Ranitidine)	*Atarax (Hydroxyzine)	*Doxepin/Elavil
*Pepcid (Famotidine)	*Chlorpheniramine	*Chlor-Trimeton
*Pataday/Pazeo	*Patanol	*Patanase
*Astepro (Asthelin)	*Allergy eye drops	

You may continue **ALL** other medications including any asthma inhalers. If you have questions regarding stopping any medication, please call our office and speak with a member of our staff.

All appointments must be **CONFIRMED or CANCELED** 24 hours prior to the scheduled visit. No shows and appointments that have not been canceled are subject to **missed appointment fees** which are due at the time of service.

Thank you for taking the time to prepare for your visit to our office. We look forward to seeing you!
